

## PRODUCT INFORMATION SHEET

### Hearing protection for helmets

#### Product description

Hearing protectors mounted on the helmet. Intended for use in locations exposed to industrial noises of medium intensity, such as workshops, shops with metal accessories, and printing houses. Also useful when working outdoors, e.g. when mowing.

#### Characteristics

- SNR sound insulation – 28dB (signal-to-noise ratio);
- comfortable sealing pads filled with foam and fluid, which provide optimum sealing, precise adjustment to the shape of the ear, and at the same time very little pressure on the skin;
- high comfort of use;
- simple in use;
- lightweight.

Compatible with Högert Technik HT5K180, HT5K181, HT5K182, and HT5K183 protective helmets, Högert Technik HT5K030, HT5K031, HT5K033, and HT5K185 face protection accessories.
