

MADS hybrid vest black L (52)

Opis Produktu

Carefully made men's hybrid vest. It is insulated by quilted elements at the front and back on the body, while the side panels are finished with elastic knit. High-quality materials provide durability, high comfort of use and do not restrict movement. The vest compresses easily and weighs little. Therefore, it is perfect for every trip and physical activity. All season outfit: the vest can be worn under a jacket in winter and it will work as a separate cover on cooler spring, autumn and summer days.

Additionally used reflective details allow to increase the safety of movement in the dark.
