

## PRODUCT INFORMATION SHEET

### 15 Piece Open-ended Spanner Set

#### Product description

Tool cabinet insert containing spanners used to loosen and tighten nuts and bolts of different shapes and sizes.

#### Charakteristics

- spanners made of high-grade chrome-vanadium alloy steel;
- press-formed panel provides greater resistance;
- chrome-plated surface with a matt finish effectively protects against rust, while making it easier to keep spanners clean;
- manufactured in accordance with European standard DIN 3110;
- the 15° offset end of the spanner makes work in hard-to-reach places much easier;
- hard and flexible technical foam.

#### Set includes

Double-sided spanners: HT1W501 (6 x 7 mm), HT1W502 (8 x 9 mm), HT1W504 (10 x 11 mm), HT1W506 (12 x 13 mm), HT1W507 (13 x 17 mm), HT1W508 (14 x 15 mm), HT1W509 (16 x 17 mm), HT1W510 (17 x 19 mm), HT1W511 (18 x 19 mm), HT1W512 (19 x 22 mm), HT1W513 (20 x 22 mm), HT1W514 (21 x 23 mm), HT1W515 (24 x 27 mm), HT1W516 (25 x 28 mm), HT1W517 (30 x 32 mm).
