

Tools for electricians 5 pcs.

Opis Produktu

Insert for tool cabinets with a set of selected tools necessary for work on electrical installations, necessary in the cabinet of every professional.

Charakterystyka

- soldering iron designed for soft soldering of metal materials with tin or tin-lead binders;
- universal digital meter FULL-SMART, which recognizes the measured parameter and automatically adjusts the range of DC and AC voltage measurement, diode test or resistance;
- inductive voltage tester enabling non-contact detection of current in cables;
- butane gas burner with PIEZO ignition with a maximum operating temperature of 1,300° C, especially useful for shrinking heat-shrinkable insulation;
- automatic stripping tool for cables ranging from 0.25 to 2.5 mm²;
- EVA technical foam makes it possible to keep the workplace in order, ensuring easy and convenient access to frequently used tools.

Set includes:

Soldering iron 60W HT2C302

Universal digital meter FULL-SMART HT1E605

Inductive voltage tester HT1E630

1.0 kW gas burner HT2C505

Automatic wire stripper HT1P185
