

## PRODUCT INFORMATION SHEET

### Scriber

#### Product description

A scriber made of high quality material. A metal shaft ensures a secure grip, while the use of tungsten carbide in the tip increases the precision and accuracy of drawing. The scriber finds application in drawing shapes on metal, ceramic, wooden and glass surfaces. A must-have tool for every craftsman. It is designed for professional use.

#### Charakteristika

- length: 145mm;
- blade: TCT;
- construction material: metal;
- tip made of tungsten carbide;
- application: metal, ceramics, glass.
