

PRODUCT INFORMATION SHEET

WURNITZ elastic protective shorts

Product description

WURNITZ professional men's protective shorts are made of the highest quality materials. In addition to their high strength, they also provide great comfort of use. During the production of shorts, special attention was paid to the functionality and safety of clothing. The increased elasticity of WURNITZ shorts makes them suitable for many variants of work, without restricting the user's movements. OXFORD reinforcements are used in the back pockets and ruler pocket. The shorts are available in a fashionable grey colour and in a wide range of sizes (from S to 3XL). They were designed for professionals. Ideal for production, construction, transport workers and car mechanics. They are perfect for service, installation and technical works.
