

SCHMUTTER safety shoes LACE SYSTEM S1P SRC dark grey/blue 44

Opis Produktu

Men's protective shoes conforming to S1P class according to ISO 20345:2022 standard. High-quality workmanship provides convenience and comfort of use. The model has the LACE SYSTEM for quick adjustment of the binding and precise and even fit of the shoe. The shoes are equipped with a composite lightweight toe cap that protects the toes of the foot, e.g. against falling objects, debris, tools. Thanks to the anti-slip sole, the footwear is perfect for walking on uneven and slippery surfaces. Shoes recommended in the logistics, transport, automotive industry, renovation work. They are perfect for indoor use (e.g. halls).
