

PRODUCT INFORMATION SHEET

SDS+BX4 drill bit 22x1000 mm

Product description

SDS-plus drill bits designed for drilling in brick, stone, concrete, and reinforced concrete. They are suitable for all hammer drills, drills, impact hammers with the tool-free SDS-plus handle.

Characteristics

- diameter: 22 mm;
- drill bit length: 1000 mm;
- 4x90° profiled head accelerates drilling and reduces the risk of the drill bit getting stuck even in reinforcing bars;
- blade made of high-quality tungsten carbide;
- double helix of the drill bit ensures optimum removal of cutters and high productivity;
- centring tip for easier drilling start;
- SDS-plus handle for quick drill bit replacement.
