

PRODUCT INFORMATION SHEET

STAD welders safety boots S3L FO SR black 41

Product description

STAD safety boots designed for safety during welding work. Featuring a double Velcro fastening, they offer a quick on and off fit, while the modern Sandwich Mesh lining and KomfortPlus insole ensure comfortable all-day wear. With a split leather upper and reinforced tip, the footwear combines durability with resistance to external factors.

Characteristics

- category of safety footwear: S3S;
- additional protective properties:
 - SR (anti-slip properties),
 - FO (oil and grease resistance of the sole),
 - ESD (electrostatic discharge protection);
- Compliant with the norm: (EN ISO 20345:2022);
- footwear material: cow split leather;
