

PRODUCT INFORMATION SHEET

Flat ring wrenches 14 pcs.

Product description

The set includes combination spanners and a fabric tool organiser with separate pockets for each of them. The spanners are made of high-quality, hard and durable chrome-vanadium steel, so they have a high resistance to corrosion and rust. The spanners are resistant to damage and deformation, making them suitable for work even in hard-to-reach places. The set includes a practical tool organiser with compartments for each spanner, facilitating storage, organisation and quick access to the necessary equipment.
